Antigua and Barbuda High Court Notice

EXPLANATORY NOTE ON REVISED MEDIATION FEES

The purpose of the revised mediation fees is to amend mediation fees in the Member States and Territories (MSTs) under the jurisdiction of the Eastern Caribbean Supreme Court, in an effort to harmonise mediation fees as far as practicable. The harmonisation thrust was undertaken pursuant to paragraph 3.10 of the re-issued Practice Direction on Court-Connected Mediation No. 6 of 2020 (No. 7 of 2020 in the case of Saint Vincent and the Grenadines).

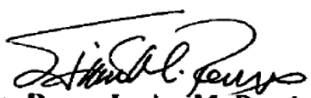

Presently, diverse mediation fee structures exist in the respective MSTs for the performance of the same service. However, growth to the civil mediation programme, the introduction of virtual mediations and the attendant eligibility of Mediators to serve in multiple MSTs, have enhanced the value and fundamental necessity for harmonisation. Furthermore, prevailing mediation fees have been in existence from the inception of the civil mediation programme 19 years ago, without adjustments for socio-economic impacts or other factors affecting the efficacy of the programme.

The harmonisation effort took into account the varied circumstances subsisting in the respective MSTs and employed a methodology designed to ensure, that proposed revisions were fairly reasonable. Consequently, MSTs with closer realities were grouped and harmonised, resulting in small differences to the fees to be implemented in the MSTs. Additionally, commercial matters were deemed to be well-suited to a tiered fee structure, based on the value of commercial claims. Other case types were considered more amenable to a fixed fee structure. Mediation fees with respect to the Territory of the Virgin Islands were revised based on the unique circumstances evident in that territory.

The implementation of revised mediation fees is expected to:

- Provide a more equitable structure for payment to Mediators,
- Better support the sustainability, proper management of and improvements to the civil mediation programme; and
- Ensure that mediation fees are transparent, reasonably economical and not unduly disparate across MSTs.

The revised mediation fees take effect on 14th November, 2022.

 Hon. Dame Janice M. Pereira, DBE, LL.D
 Chief Justice
